PRODUCT DATA SHEET

PREMIER 20W/50 SJ/CF

PRODUCT DESCRIPTION

Premier 20W/50 SJ/CF is a premium quality engine oil meeting the latest specifications and is suitable for all types of four stroke engines under the most severe and varied operating conditions. It provides increased engine life since the wear rates associated with quality SG engine oils are decreased by approximately 20% for cams and 13% for bearings.

Premier 20W/50 SJ/CF contributes to 21% less oxidation and more protection from piston deposits compared to SG engine oils when tested under the Sequence IIIE test technique. The level of dispersants and detergents in **Premier 20W/50 SJ/CF** maintains improved engine cleanliness under all service conditions. The special additives inhibit formation of sludge development especially under the constant cold temperature operation of urban motoring. **Premier 20W/50 SJ/CF's** high temperature performance is enhanced by the selection of thermally stable base oils, oxidation inhibitors, viscosity improvers and detergents.

SPECIFICATIONS

Premier 20W/50 SJ/CF meets or exceeds the following demanding performance requirements:

API: SJ, SH, CF, CD

Always consult your vehicle owner's manual for the manufacturer's recommendations.

TYPICAL PROPERTIES

Property	ASTM Method	Results
Appearance	Visual	Natural
Density (kg/Lt) @ 15°C	D-1298	0.893
Viscosity (cSt) @ 100°C	D-445	19
@ 40°C	D-445	179
Viscosity Index	D-2270	121
Pour Point (°C)	D-97	-25
Flash Point; COC (°C)	D-92	232
Rust Prevention Characteristics	D-665	Pass
TBN (mg KOH/g)	D-2896	6.0

Available in: Bulk and 4 Litres
